

NORTH FORK CLEARWATER RIVER CORRIDOR

Be sure to contact the North Fork Ranger Station (208-476-4541) for road updates or for more information about fall and winter recreation opportunities.

SLOW DOWN!

KEEP RIGHT!

MAXIMUM SPEED: 30 MPH

SLOWER SPEEDS REQUIRED TO ENSURE SAFE TRAVEL

VEHICLE FORCED OFF FSR #250, BLACK CANYON – JULY 2022

North Fork Ranger District officials are observing and reporting full-size vehicles and OHVs traveling at excessive speeds and driving recklessly.

- **Slow down.** Speeding gives you less time to react and increases the severity of an accident.
- Keep 100% of your attention on driving at all times.
- Be aware of what other drivers around you are doing and expect the unexpected.
- Assume other motorists will do something crazy, and always be prepared to avoid it.

The North Fork Ranger District is a beautiful place to play, but it takes a long time for emergency services to arrive if you're involved in a serious accident. Why risk it?

Log hauling will begin the week of June 12 for the Barnyard Timber Sale, located on the North Fork District, in the Sheep Mountain area. Hauling activities will involve approximately six to eight trucks daily, Monday through Friday. Hauling activity will be between 2 AM and 2 PM. Roads to be used will include FSR #681, from Swanson Saddle to Sheep Mountain Saddle; FSR #683 from MP 1.93 to Sheep Mountain Saddle; and FSR #680, Sheep Mountain Saddle to Road #247. CB channel is 13, and safety signs are in place. Magnesium chloride application is scheduled for late June or early July. Questions or concerns? Please contact Robert Collier at (208) 790 8444.

All forest roads are mountain roads with potential hazards. Appropriate caution is required. Single lane in many places; backing up may be necessary. At a minimum, carry water, a shovel, and an axe.

Road #	Description	Status	Date	Condition
Highway 7	Grangemont Road	OPEN	06/08/23	Grangemont Road is open. If you need additional information, please call the Road Department at 208-476-4813

Forest Road Check List

- ✓ Watch for & obey posted speed limits. Forest Service roads can be narrow, rocky, & not meant for high speeds.
- ✓ Be careful braking on gravel roads. Allow more time and distance when coming to a stop.
- ✓ Beware of rocks, boulders, road washouts, downed trees and brush on the roadway.
- ✓ Use appropriate tires for the terrain and conditions you'll be traveling.
- ✓ Remember to stay on authorized roads.
- ✓ Plan appropriately for food, gas, and lodging, which may not be readily available along Forest Service roads.
- ✓ Always carry extra food and water.
- ✓ Always let someone know your plans and stick to those plans.
